TODAY'S PRESENTATIONS

10:15 AM

K2 - The Peak of Prepress Workflow Productivity
Presented by Bret Farrah from Xitron

10:30 AM

Automate Your Web-To-Print Workflow
Presented by Christopher Minn from Infigo

11:00 AM

Future Proof Your Business with HYBRID Software
Presented by Pascal Wybo & Tom Elton from HYBRID

11:30 AM

The trusted system of record for your Label & Flexible Packaging Business
Presented by Robert Stake from LabelTraxx

12:00 PM

Digital Color Monitor Proofing Works – and now from within CLOUDFLOW
Presented by Dan Caldwell from ICS Color

1:00 PM

Digital die cutting as the final frontier for packaging
Presented by Arnon Gratch from Highcon

1:30 PM

Introduction to ABG Connect
Presented by James Brennan from ABG

2:00 PM

Inkjet Excellence: Driving Printheads in Industrial Applications
Presented by David Heath from Meteor Inkjet

2:30 PM

EngView Packaging Design CAD Software and PACKZ 10
Presented by Kris Hanchette from Engview

3:00 PM

Navigator Flexo Suite featuring SmartFlexo Screening
Presented by Doug Mawdsley from Xitron

3:30 PM

CERM: MIS Software solutions and integrations
Presented by Patrick Vreven from CERM

3:45 PM

Impact CAD – streamlining your packaging design process
Presented by Matthew Hewitt from Arden Software

4:00 PM

Introducing MyPACKZ - Your professional prepress PDF editor in the Cloud
Presented by Pascal Wybo from HYBRID Software

HYBRID SOFTWARE | We Share Your Heartbeat.
